## Bright ideas when buying ALABAMA Auto Insurance :

- 1) Think before you buy from the first ALABAMA insurance broker you talk to !
- 2) When you see the ALABAMA Auto insurance you want to get, call at least 5 agents you may find a better deal, with other agents . There tons of ALABAMA Agents, so even if you call 10 or 50 miles away make sure you get different quotes.
- 3) Dont let the sales person worry you into a low deductibile, go with the 1 that you are most compatible with. The More you pay for the ALABAMA Auto insurance deductibile the less expensive the monthly premium, and a good number of ALABAMA carriers have big discounts if you enroll in a high deductibile.
- 4) Buying ALABAMA Auto insurance Virtually should cost the same from an insurance direct site as it does with a local agent in ALABAMA .
- 5) Most **ALABAMA insurance companies** give you a discount when you have more than one plan with them, so shop all your insurance coverages at the same time. You will get better rates and faster service because the insurance agent stands to make more cash off you.

Things your Broker does not want you to know when obtaining ALABAMA auto insurance:

- 1) Agents get paid a part of of the monthly premium, so dont think they are always on your side as the more you give to the carrier the more they make and the more the provider makes.
- 2) Reps are trained to sell the lower deductibile so it increases their profit & the profit of their insurance company.
- 3) Many insurance brokers can include discounts & special savings depending on the plan, so the more you shop it around the nicer the cost you will enjoy.
- 4) You CAN change ALABAMA Automobile Insurance carriers in the center of your 6 month plan. Dont let them work you out of it, if the costs are better. Many times you change companies, so you may

have to wait for oney back if you pay in advance but it is possible.

5) Paperless Checks are a great way to pay, and the ALABAMA carriers may allow a discount for the use of E-Checks. The reason they do this is not only to save on processing costs, but the customers who do this are more likly not to cancel as early and make fewer changes.

**Things to remember when buying ALABAMA Car insurance:**

**1) Using an ALABAMA agent:**

If you work with an ALABAMA Auto insurance agent, they should provide more personal and professional They should respond faster, and be more covienant.

**2) ALABAMA Liability Protection:**

Bodily Injury Liability Protection-provides coverage if you or a covered driver is legally liable in an auto accident in which others are injured or killed.

**3) ALABAMA Property Damage Liability Protection :** allows for coverage if you or a covered driver is legally liable for damages to another's aoto resulting from a car collision in and out of ALABAMA .

**4) P.I.P in ALABAMA :**

Provides coverage for death, and loss of income suffered by insured, your covered passengers, or covered family members. (Personal Injury Protection Coverage is not available in ALL state. Ask an ALABAMA agent for Quotes, Plan details and mics. information.)

**5) Medical Payments Coverage in ALABAMA :**

Provides coverage for doctors, hospital, and surgical, cost incurred by you, covered family members, or your covered passengers riding in your covered auto.

**6) ALABAMA Other than Collision Coverage :**

Provides coverage for damage to your insured vehicle, up to the actual cash value, caused by falling objects, fire, theft, vandalism, and many other non-collision losses. A deductible may apply to this coverage.

**TRUTH TIME:** Insurance is about protection AND PIECE OF MIND, and I know from experiance alot of time individuals buy on premium.

The real deal is when it comes time to get paid for a claim, how quickly will the carrier reacts, where can their claims offices, what do they require and how speedily do they pay their claims are all and SHOULD BE A HUGE deciding factor when changing ALABAMA Auto Insurance as the protection is only as good as its delivery so make sure you keep this in mind when looking for ALABAMA Auto insurance.
